SPECIAL STUDIES 97, 98, 99 INFORMATION

The official university deadline to add classes (including Special Studies courses) is the end of second week of the quarter.

1. Special Studies courses 97, 98, and 99 are intended to enable students to learn about subjects not taught in regular courses and to engage in research in the laboratory, in the field, or in the library. Such a project should be carefully planned with the faculty advisor along the lines of the student’s overall academic plan.

2. Prerequisite knowledge needed for the intended work should be carefully discussed with the instructor and clearly stated on the form.

LIMITATIONS

1. A student must have completed at least 30.0 units of undergraduate study and must have a cumulative grade point average of 3.00 or better to be eligible. (Some departments may require a higher GPA.)

2. Only a grade of P or NP is to be assigned for a 97, 98, or 99 course.

3. A student may enroll for no more than a total of four units of 98 and 99 Special Studies courses in one term.

4. On the advice of the instructor(s) and the department chair(s) concerned, the Provost of a student’s college may authorize exceptions to the limitations listed 1. and 3.

PROCEDURES

1. Student obtains a “UCSD Application for Enrollment Special Studies Courses 97, 98, 99” from the Department prior to the start of a Special Studies course.

2. Student checks to see if eligible by having met 30.0 units and 3.00 G.P.A. requirements. If eligible, student completes Section I of the form.

3. Student discusses with a faculty member the possibility of a Special Studies project in the faculty member’s field of competence.

4. Student and instructor discuss the nature of the project, frequency of contact, prerequisite knowledge needed, and the means of evaluation.

5. Faculty member completes instructor’s portion of form and forwards the form to the Department sponsoring the Special Studies course.

6. Department verifies student’s eligibility by checking for required 30.0 units and 3.00 cumulative GPA.

7. Department Chair of the Department sponsoring the Special Studies course reviews the form and denotes approval or disapproval.

8. Student secures the Department stamp on the Special Studies form. (This approval to enroll in a Special Studies course may be granted only after the form has been signed by both the instructor and Department Chair.)

9. Student submits the form to their College Academic Advising Office if any exceptions to the limitations are requested. Provost denotes either approval or disapproval. Approved forms are submitted by the student to the Registrar’s Office and disapproved forms are to be returned to the department. Please note that the turnaround time for forms is not immediate within departments.

10. If no exceptions are requested, student submits the original by the end of second week of the quarter to the Registrar’s Office. Requests to add classes after week 2 are not guaranteed. Check with the academic department offering the course for specific guidelines.

11. The Registrar’s Office staff enrolls a student in the Special Studies course upon receipt of a completed form. Incomplete forms will not be processed.
